

ImageMakers National Photography Program & Contest

The ImageMakers program encourages girls and boys ages 6-18 to learn and practice black and white, color and digital process photography. This year's local exhibit will be held on 16 April from 1600-1800 at Youth Services.

Any photographs from the past calendar year may be entered for contest consideration. The exhibit is open to the community.

Contest submission categories include:

Color Process or Black and White Process

Alternative Process (Includes Pinhole cameras, Polaroid transfers, photo screenprinting, photo etching and photograms)

Digital Photos must be taken with a digital camera and images cannot be manipulated.

Size requirement: Photographs must not exceed 8 x 11 inches.
